I desire the assistance of all peace officers in detecting two swindlers known as E. R. HEIST and D. MARSHALL, who represent what is known as THE AUSTIN PHOTO Co., and established a branch office of the same in Napa City, and proceeded to take orders for Photos at greatly reduced rates, collecting 50 cents from each customer, whom they solicited, and the remainder was to be paid at the Studio.

After working the town and surrounding territory they left and did not fulfill any of their promises.

Their description is as follows: E. R. Heist and D. Marshall each about 24 years old; 5 ft. 7 in; smooth shaven; weight about 145 lbs; dressed in dark clothes.

Heist and Marshall, in making their house to house canvass, carry samples of the work wrapped in green billiard cloth, and are quite noticeable as they travel the streets.

D. Marshall worked at photo. soliciting for Shaw & Shaw, Photographers, 1069 Broadway, Oakland, and E. R. Heist has a Working Card from the Cooks' and Waiters' Alliance, No. 396, and am informed that he ran a restaurant at Bakersfield. NUMBER 100 Arrest for Robbery.

On the night of April 12th, 1904, a man by the name of Earl Blakesley was robbed near Lodi, in this county, and the robber got a trade dollar and a mutilated 25-cent piece. On the night of April 14th, 1904, a man by the name of Ira Saunders was robbed near Stockton, and in this robbery Mr. Saunders made a fight, and got the robber's pistol and hat, but in the scuffle the robber shot and wounded Mr. Saunders. The hat is a black Fedora, with a wide band, size 6 7/8. The pistol is a five shot Iver Johnson double action nickel plated 38 caliber; black handle; number 38237. On April 18th, 1904, near Lodi, in this county, Mr. Washington Turpin was stood up and robbed of a few dollars. In all of these robberies there is the same similarity of work. The robber stops them and makes the persons get out of their vehicle, takes their money and then orders them on. The best description we can get of him is this: A man about middle age; short and stout build; about two weeks' growth of beard, and uses profane language while robbing parties. I would like very much if officers would inquire at all of the second-hand places and see if they can locate where a pistol of the kind described was obtained; and who obtained it; and if this can be done, arrest and hold the person buying the same and notify me. I hold warrant.

AND 10 PER CENT. OF MONEY RECOVERED.

Mr. E. S. Averill Genl. Supt. U.S. Express Co.
Chicago, Ill.

Dear Sir

Having met with success
I have been compelled to give up the U.S. Express
there not being sufficient revenue from
it.

Yours truly,
John A. Burr, Jr.

Sample of his handwriting.

Sample of cloth in suit purchased by him at Green Bay, Wis.

The above is a good photograph of John Arnold Burr, Jr., Night Man, United States Express Company, Green Bay, Wis., who disappeared from there Saturday, November 3, 1900, about midnight. The following is the latest description of Burr, and is believed to be very accurate: 34 years of age, 5 feet, 10½ inches high, weight 162 lbs.; fair complexion, dark brown hair, brown mustache, which we since have been informed has been dyed black, but he may now have had it taken off, or may grow a full beard, or part of beard; may have had his hair dyed, and might, in emergency, use false whiskers; large nose, indentation between bridge and point of same, having been hit by a base ball bat, leaving it somewhat flattened and making the bridge of nose prominent, giving the lower part a thickened appearance; is left-handed, and writes left-handed; has a birth-mark on instep of right foot about the size of a nickel five cent piece, which is red or liver colored; the two toes next to the big toe on both feet are webbed, or twin toes. Before leaving he purchased a black fedora hat, blue and gray suit of clothes of pattern as shown above, black overcoat. These he may be wearing now or may have changed to an entirely different outfit. Also purchased before leaving an enameled pair of the Douglas shoe, heavy sole with high uppers, numbered on inside 3758, and stamp on inside of sole "Union Make", size about 8½. Took with him Smith & Wesson revolver No. 89585. Has taken the Keeley Cure, but is reported to be again using liquor, and at such times might be found in gambling or sporting houses. He may have a woman with him.

Burr is a crafty cunning man and will devise means to disguise and change his appearance; he will believe that a very thorough search will be made for him. The upper part of the face, forehead, shape of the brow, and nose cannot be readily disguised; the expression of the eyes, which is the real and sure means of identification in such cases, cannot be changed; this latter feature should be most carefully observed. He has been a reader of detective stories, books of travel and literature on Ancient Rome.

THE REWARD, \$500.00, will be paid for his arrest or for information resulting in his arrest.

AN ADDITIONAL REWARD OF 10 PER CENT. of the amount of money recovered will also be paid.

He carried away with him about \$15,000.00, of which \$5,000.00 was in gold coin (weighing about 18 lbs.), and the remainder in currency.

If arrested, or any information regarding him, telegraph immediately to the undersigned.

E. S. AVERILL,

General Superintendent,
United States Express Co.,
CHICAGO, ILL.

Post this Circular in your office where the public can read it and notify your Chief of Police, at once, to be on the lookout for this man.

He was received at the Penitentiary on Nov. 23, 1900, from the United States Court at Purcell, Indian Territory, on a 2 year sentence for selling intoxicating liquor. This man is known in Earlesboro, Oklahoma; Allen, Choctaw Nation, Indian Territory; Oakman, Indian Territory and at Roff, Indian Territory.

During the years of 1902 and 1903 this man answered to the description of a member of a gang of horse-thieves that have been stealing horses in the Indian Territory, Oklahoma, Arkansas and Texas. It is thought that this gang, which he is reported to be with, has, besides stealing horses, been robbing stores, banks, depots and Post Offices in the various parts of the Southwestern States. This man is an all round crook. Photograph No. 1 shows him as he appeared before he had his hair clipped, shave and change of clothing. Photograph No. 2 shows him as he appeared afterwards. Both photographs are excellent likenesses of him and were taken on Nov. 24, 1900.

Please observe closely all strangers passing through your part of the country and examine closely all prisoners you now have in custody and may have in the future. Please send me all reliable information you may have concerning this man.

I will pay Sixty Dollars (\$60.00) for his arrest and detention in any Jail or Police station until delivered to an officer from this penitentiary.

\$100.00 REWARD!

ESCAPED FROM THE UNITED STATES PENITENTIARY AT FORT LEAVENWORTH, KANSAS, DECEMBER 13, 1899.

J. P. BIRCHFIELD, alias JIM JONES:—Age 48 years, 5 ft. 3 1-2 inches tall, weighs 150 pounds, fair complexion, light brown hair streaked with grey, is bald from forehead to the top or back of head; has a light brown mustache, streaked with grey; has a scar on palm of right little finger near 1st. joint; has a small, deep round scar (probably a bullet scar) on right side of chin 1 1-4 inches below right corner of mouth. The attached Photograph is a good likeness of him, except that he had no mustache on when it was taken.

This man's right name is J. P. BIRCHFIELD, but he is going by the name of Jim Jones. He is a great talker and gives one the impression that he has been all over the world. He is usually accompanied by a man who goes by the name of Frank Doughty. Doughty is about 5 feet 5 inches tall, weighs about 200 pounds, heavy build, dark hair, dark mustache, brown eyes, medium dark complexion, and a small pointed chin. Doughty is known at Perry, Oklahoma, and has a farm near Orlando, Oklahoma. He claims to be a cousin of Birchfield's. Birchfield has been with Doughty a good part of the summer of 1900 when they were last seen.

Birchfield is likely to visit the following named places which he has been doing during the past two or three years.—Orlando, O. T., Perry, O. T., Oklahoma, O. T., Shawnee, O. T., McLoud, I. T., and McGee, I. T. He has two daughters, one about 11 years old, is with Mrs. Minerva Elliott at Shawnee, O. T., and the other, about 6 years old, is at the Orphan's and Rescue Home at Oklahoma City. He has two sisters near McLoud, one by the name of Mrs. Smith and the other by the name of Mrs. Bly. He also has been seen in New Mexico and Arizona where he is likely to be found if not in Oklahoma or Indian Territory.

Birchfield was received at this Penitentiary June 10, 1899, on a 2 year sentence for cattle stealing in the Indian Territory. He is an all round cattle and horse thief. He is likely to be found around cattle ranches and markets.

I will pay \$100.00 for his arrest and detention in any jail until turned over to an authorized officer from this Penitentiary. The above reward is good until he is caught.

The above photograph is a good likeness of him. It was taken on May 26, 1900. This man claimed to be a R. R. brakeman but we think he is familiar with machine shop work especially railroad machine shops. He, together with another man (who is still in this Penitentiary,) burglarized a Post Office using nitro-glycerine. These two men are what are called "Yegg men" and they made it a business robbing Country Post Offices, Banks and Railroad Depots. They were tried and convicted at Texarkana, Arkansas, and sentenced to this Penitentiary on May 18, 1900 to a term of 5 years each.

Please examine all prisoners that you have in your Jail, Police Station, Penitentiary or Work House. This man has been so vigorously persued since his escape from here so that we are inclined to think that he has committed some trifling offence in order to get himself in Jail or Penitentiary for a short term in order to throw us off of his trail.

I will pay Sixty Dollars (\$60.00) for his arrest and detention in any Jail or Police Station in the United States until fully identified and turned over to an officer from this Penitentiary.

\$3,850 REWARD!

JOHN P. DUNN.

Wanted for murder at Clarksville, Ark., February 5, 1902.

Description: Name, John P. Dunn, alias Dick Dines, alias Big Dick. Nationality, American; criminal occupation, bank burglar and gambler; age 35, height 6 ft.; weight, 175 to 185 pounds; eyes, yellow gray; florid or sandy complexion; build good; color of hair, dark, with a few gray hairs over each ear.

Remarks: Wears a number 11 shoe; has large wrists, smooth white hands; very positive talker; is known as a high roller among gamblers. When he escaped from hospital at Wichita, Kan., had smooth face, but beard will be sandy or light brown. Teeth, fairly good, some gold in upper teeth on right side of jaw.

Wounded: Has shot gun wound in right hip, ball penetrated ilium about one inch below crest. Abscess formed on inside of hip bone. The hole in hip bone was enlarged by the surgeon in charge. Ball has never been found. When he escaped, April 3, wound was not healed. It may be healed at this time, but will leave a large deep scar on right hip. If not healed will have the appearance of a suppurating wound after a surgical operation. In this case, Dunn will most likely be found in some private or public hospital, for he will be compelled to have the care of a competent surgeon or nurse. It is the opinion of the physicians who examined Dunn that he will never recover unless the ball is located and taken out, as they think he was infected from the fact that wound did not heal as fast as was expected.

Crime and Reward: At 2:30 on the morning of February 5, 1902, the Bank of Clarksville, Ark., was burglarized and John H. Powers, Sheriff of Johnson County, while trying to prevent the burglary was murdered by the parties. The Governor of the State of Arkansas, the County of Johnson, the Banks of Clarksville, and reliable private subscriptions make the total reward for the arrest and conviction of the parties implicated \$11,000, or \$2,750 for each one implicated. John P. Dunn and George Durham, alias Jersey Durham, alias Oklahoma George, were arrested in Wichita, Kansas, February 16, 1902. Dunn was found in St. Francis Hospital suffering from wound as above described which he was supposed to have received at the hands of Sheriff Powers before his death. Durham was taken to Clarksville, Ark., where he waived preliminary examination and was bound over to the next term of Court. Dunn escaped from the hospital April 3. The pictures herewith of Dunn are excellent and of recent date, but he will most likely have full beard at this time.

The Governor of Kansas issued a proclamation offering \$500 reward for the delivery of John P. Dunn to Sheriff King, at Clarksville, Ark., or for his body delivered to the Chief of Police at Wichita, Kan., Joe B. King, Sheriff Johnson County, Arkansas, offers a further reward of \$600 for John P. Dunn, dead or alive, delivered at Clarksville, Ark.

The above makes a reward of \$1,100 for John P. Dunn, dead or alive, delivered to either J. B. King or Chief of Police of Wichita, Kansas. In addition to the \$1,100 there is \$2,750 reward to be paid after the conviction of Dunn for the above crime.

All officers: The murder of Brother Officer Powers was a cold-blooded one, and occurred while in the discharge of his duty. And this, outside of the fact of the large reward offered, should be a sufficient inducement to put forth every effort to capture this man and to deliver him to the proper authorities. In case of capture or death of John P. Dunn, notify J. B. King, Sheriff, Clarksville, Johnson County, Arkansas; Chief of Police, Wichita, Kansas; or

GRANNAN DETECTIVE BUREAU,
CINCINNATI, OHIO,

and a man will be sent at once.

Elkins was raised on a farm, and is used to handling stock of all kinds and doing general farm work. He may be working on a ranch or around a mine, and going by an assumed name. His father, David L. Elkins, is living at present near Oakdale, Stanislaus county, California.

The above picture was taken of him at the time he was received at the state's prison at Folsom, California, and is a good picture of him, but he may change his appearance some by growing a beard. Should he do this it would probably be of light color, his complexion may be changed by being exposed to the sun, but when he was in jail here his long confinement bleached him perfectly fair.

Officers, be on the alert, we want this man badly, and will pay the above reward in any jail in the United States. Wire all information to me at my expense.

POLICE DEPARTMENT, LOS ANGELES, CAL.

DECEMBER 16TH, 1904.

ARREST FOR FELONY

(the uttering and passing of fictitious checks) two men, whose descriptions are as follows:

No. 1. Age 25 to 28 years; height 5 feet 6 or 7 inches; weight 140 to 145 pounds; light sandy hair; smooth shaven; thick lips. Wore a dark coat, no vest, light-colored striped pants; No. 15, round-cornered, turn-down, celluloid collar; no neck-tie; Florsheim shoes, with name on back strap. Purchased a new suit of black and white mixed goods, with black and white vertical stripes five-eighths of an inch apart, and with dim white stripes running the other way two inches apart, forming a sort of plaid; coat size 36, pants 30 waist, 32 inch legs. Also bought of the firm of Harris & Frank a J. B. Stetson "Boss", raw-edged Graeco hat, with one-half inch band, and worn with six dents in top; has the names of both Stetson and the firm of Harris & Frank on sweat-band. Also bought a pair of No. 6 lace shoes, Blucher cut, plain toe, made by John Mier Shoe Co., St. Louis; and two No. 15 size "Conqueror" shirts, with dark stripes. The new suit was purchased from James Smith & Co., and that firm's tag is at the neck of the coat and the name "Alfred Benjamin & Co." is sewed inside of one inside pocket of coat.

No. 2. Age 25 to 30 years; height 5 feet 8 or 9 inches; weight 150 pounds; dark hair; small, short sandy mustache; slim face. Wore a coat and vest of mixed brown goods; pants somewhat lighter than coat; and a soft black hat, marked: "Coleman & Co., San Francisco". Purchased a new suit of clothes, the same as suit purchased by No. 1, and marked the same. His coat is size 38; pants, size 35 waist, 33 inch legs. No. 2 also bought of Siegel, the hatter, a hat similar in style to that purchased by No. 1, size 6 $\frac{7}{8}$, and made by H. H. Roelfs & Co., Philadelphia. Also bought a pair of No. 8 lace shoes, with toe-caps, made by Friedman Bros. Shoe Co., St. Louis, and two suits of blue ribbed woolen underwear.

These men passed a number of bogus checks on the merchants of our city on the evening of December 10, 1904, and secured several hundred dollars in money and checks signed by Siegel Bros., B. Wolff and H. Cohn & Co., besides the goods they purchased. The checks purported to be pay-checks of the Sunset Telephone Co., and were clever imitations of same, but evidently the swindlers had them printed as they are not fac similes of the bona-fide pay-checks of the said company. So it is probable the swindlers may have many more of said bogus checks in their possession. The checks purported to be signed by J. R. Seeley, paymaster of said company, when as a matter of fact, the true name of the Paymaster is C. M. Seeley. Checks were made payable to P. Calhoun and B. M. Gill. The swindlers were roughly dressed and represented themselves as linemen in the employ of the Sunset Telephone Company.

Arrest, detain and notify me and I will promptly send for them.

\$700 REWARD!

For the Arrest and Conviction of
SHOTARO FUKADA

\$400 BY THE CHINESE CONSULATE

\$300 BY THE CHINESE SIX COMPANIES

Wanted for the Murder of GO NAN, a Chinese Farmer.

ON THE EVENING OF THE NINTH OF FEBRUARY, IN THE CARMEL VALLEY, NEAR MONTEREY, STATE OF CALIFORNIA, GO NAN, A CHINESE FARMER WAS MURDERED AND ROBBED BY SHOTARO FUKADA, A JAPANESE LABORER, WHO WAS WORKING FOR GO NAN.

Description of Shotara Fukada: Age, about 25 years; about 5 feet 3 or 4 inches in height; rather darger complexion than the average Jap; heavy, black, connected eyebrows; full, round face; wore his hat low over eyes; heavy, black hair, combed straight back not parted. When last seen wore working clothes. He speaks fair English and frequents gambling houses. He came to Monterey on December 20, 1904, from San Jose, and stopped at Japanese lodging house in Monterey until January 17, 1905, at which time he went to work for Go Nan and worked for him until the night of the murder, then disappeared and has not been seen since. After shooting Go Nan in the back with a shot gun and cutting his throat he took from his body about \$50.00 in coin and a gold filled case watch, open face, 18 size, No. of case 6,806,763, Elgin works No. 10,217,615. Also took with him a double-barreled, breech loading shot gun.

The Japanese characters above is Fukada's name proper in Japanese, and the Province in Japan from which he came. Officers will watch closely all Japanese boarding houses, employment offices and other places where Japanese names are registered, for this name. There are some Japanese Fukadas but we are informed no other SHOTARO FUKADA in this country, as far as known; hence it is an uncommon name.

We are anxious to capture this man and hope all officers will do every thing possible to this end.

Address any information to me at my expense.

WANTED FOR ROBBERY

R. STEWARD

On the night of October 2, 1904, at 7:20 o'clock p. m., the barkeeper (who was a lady) and two men in Mrs. P. Hubbs' saloon, situate about one mile outside of this city, were held up by R. STEWARD, who entered the saloon from a side door of the building, his face being covered with a handkerchief below the eyes. Covering parties in saloon with 38-caliber blue barrel pistol, he demanded of them to turn over what money they had and place it on a waiter and hand it over to him, which they did; he received some \$25.00 in all and then backed out the same door he came in and disappeared in the darkness. One of the persons in the saloon came in a few minutes previous to the hold-up and asked the other gentleman in the saloon to have a drink, and while drinking the robber came in from behind them and held all three of them up, including the bar-tender. This person was arrested by the officers and placed in jail as an accomplice, but denied all knowledge of being implicated in the hold-up, or ever being in company with R. STEWARD. Investigation proved that they came to Stockton together and were seen together on the day of the hold-up. Some few days later this man, Sims, hung himself in jail.

DESCRIPTION OF R. STEWARD

American; has the appearance of having Mexican or negro blood; age, about 26 years; height, 5 feet 9 or 10 inches; weight, 175 lbs.; long, thin foot, inclined to be flat; complexion very dark; color of hair, black (thick and bushy, parts same in the middle); smooth shaven; stoops over and

has a swinging gait when walking; inclined to be of a sleepy disposition and slow in moving around; smokes cigarettes; drinks some; fond of women, and will be found around saloons and dives; eats and rooms at cheap places.

When last seen wore dark sack suit of clothes, black fedora hat, white shirt; always wears stand-up white collar (as shown in picture), size, 15½; also cheap necktie, mixed colors.

Occupation, barber; learned the trade at L. M. Gillett's Barber School at 611 Commercial street, San Francisco, California; left there July 30, 1904; has worked at breaking horses, also what is termed "bull punching"; is liable to work at any kind of labor. His laundry mark on clothes when in San Francisco was 41—3 and may be carrying same mark on his clothes now.

The above picture, being copied from a group of four barbers, taken in San Francisco while learning trade at Gillett's, makes it impossible to show up clearly, but has been identified by persons that knew him as R. STEWARD, and by parties in Stockton, as being in company with Sims on the same day of the hold-up and two or three days previous. This man may be going under a different name.

If found, arrest, hold and wire me, at my expense. I hold warrant for robbery—a felony.

John B. Ames, a German, but speaks good English; age, about 40; height, 5 feet 8½ inches; weight, 180 pounds; medium complexion; light mustache; blue eyes; heavy build; slouchy carriage; claims to be a mining man and farmer; drinks; has been in Yuma, Arizona. He purchased a piece of land from a Stockton real estate dealer for \$1,200 and offered in payment a draft for \$1,450 on the Bank of Yuma, Arizona. The draft was taken to a local bank and deposited to the credit of Ames. Ames then gave the bank an order to pay to the real estate dealer (when the draft was collected) \$1,200; the balance of \$250 was to come to him. Ames then stated that he was "a little short" and asked the bank for \$80, giving his note therefor. He has not been heard of since, and the Bank of Yuma refuses payment and denounces Ames as a fraud. Arrest and wire me. I hold warrant.

\$25.00 REWARD

On Saturday morning August 26th, be-
tween the hours of 4 and 6 o'clock, a par-
ty entered several dental offices in this
city for the purpose of stealing gold, and
succeeded in getting about \$25 worth of
dental gold and a gold plate from Dr. A.
T. Lockwood's office and about \$50
worth from Drs. J. E. & H. M. Combs.
He then tried the door of Dr. Asay's of-
fice but the doctor was sleeping there at
the time. He then tried Dr. A. D. Patter-
sor's office, and when he left there Dr.
Asay obtained a good look at him and
gives the following description:

Age about 26, height 5 feet 10 inches,
weight about 150 to 160 pounds, rather
slim build, smooth shaven except 2 or 3
days growth of dark beard, dark brown
hair, do not know color of eyes; was
dressed in a neat suit of dark blue serge
cloth, sack coat and dark derby hat.

This party is evidently a professional
at the business, as he opened all these
offices with his own key. There was a
dental office robbed the same way at Tu-
lare the night before this happened here,
and he got about \$15 worth of dental
gold. I think this job was done by the
same party, and that the above is a good
description, as he was seen by a second
party who gave the same description, I
am very anxious to get this man, and will
pay \$25 for his arrest and delivery in any
jail.

\$25.00 REWARD

Name William F. Ahern, native of New York, age 22 years, height 5 feet 6 inches, medium build, brown hair, light complexion, smooth, red face; has tattooed marks on one forearm, do not know which one. Dressed, when last seen, in a dark-grey suit; wears a Panama or stiff, black hat. I hold warrant for this man's arrest on a charge of felony embezzlement.

If arrested, wire me, and hold him, with whatever money may be found, until an officer can get there with the proper papers.

J. F. DINAN, Chief of Police.

Card No. 33.

2nd issue.

WANTED FOR GETTING MONEY UNDER FALSE PRETENSES.

Arrest and detain the following described persons:

No. 1. J. M. Bain, age about 60 years; height about 6 feet; complexion fair; sandy mustache, cut short; wore a brownish suit of clothes; he is traveling in a single buggy.

No. 2. F. C. Bohrne, age about 52 years; short heavy set; wore a dark suit of clothes and a derby hat. Bohrne has a woman traveling with him, a very large good looking woman. She generally remains at the hotel while Bain and Bohrne are working the country.

The above parties left Merced, Cal., about the 1st of September, going north.

Both of the above parties are traveling through the country under the guise of being doctors of chronic diseases.

No. 1., J. M. Bain, is the advance man. He goes to a town and registers at a second class hotel and then looks up those who are afflicted with chronic diseases (he looks for country people), he gets a list of names, calls on each, gives them a free consultation. He leaves them and states that his partner, Dr. Bohrne will be with him in a few days, and they would call together and make a thorough examination and tell them whether they could cure or not, also give them the cost of cure.

Dr. Bohrne would make his appearance and make the examination in three or four days, collect the fee (never forgetting to collect their fees) and promising to call again. That would be the last seen of the two dead beats.

In town they are plain J. M. Bain and F. C. Bohrne, but when they get into the country, they both claim to be doctors.

Officers, keep a close watch on your hotel registers for the above two quacks. If they should come your way, arrest and wire me at my expense. I hold warrant.

JOHN S. SWAN, Sheriff.

Merced, Cal., September 19th, 1905.

\$50 REWARD

For the arrest of FRANK LEWIS, with aliases of Frank Ellis and Ed Steel.

He is described as being an American, age about 38, height 5 feet 9 or 10 inches, weight about 175 pounds, rawboned, sandy mustache, may be smooth shaven, florid complexion, blue eyes, hair inclined to be red and if long bleaches and is curly at the ends, nose prominent; walks very erect, good talker, usually wears dark clothes. Frequents saloons and is overbearing if drinking; works as laborer, has worked in Northern Oregon, I think on Hood River and in upper Willamette. Last heard of near Willows and Orland in California.

I hold warrant for assault to commit murder. Arrest and wire at my expense.

Mr. Mason's wife is very anxious to locate this couple, and I trust that any one securing trace of them will at once notify the police department of the city where they are found, and request the officers to hold them until the writer can be heard from. I also request that should any officers run across this couple that they arrest them at once and wire me immediately.

NO. 178 (2nd issue)

TWENTY DOLLARS REWARD.

STOCKTON, CAL. NOV. 23rd, 1905.

Following is a description of JOHN J. HOFFMAN who I want for passing fictitious checks. The description is very good, the man easily identified, and I am sure can be caught notwithstanding the fact that he seems invincible, for he has committed many petit crimes throughout the State during the last year and no one has yet picked him up.

Hoffman's mode of living and operation is as follows: He goes to some city, puts up at a 2nd or 3rd class hotel for a week or two, gets acquainted without making himself conspicuous, then on Saturday after banking hours passes a few bad checks and leaves; or he sometimes goes to a small town near a city, works or lays around until his funds are low, then drops into the city and does the work, always on Saturday or Sunday.

There is one sure method of capturing him; that is to have all 2nd and 3rd class hotels, saloons, and other places where he might go (particularly those near the depot) notified and instructed to watch for him especially on Saturdays and Sundays. If you or some of your officers will notify all such places, giving them description and instructions we will pay him \$20.00 reward for his trouble, provided it results in a capture and delivery to me in any jail in this State.

I send this circular to only one officer in each city and request him to take the matter up; thus there will be no misunderstanding or confusion as to who will work on the case and who will be entitled to the reward.

Description.

JOHN J. HOFFMAN, alias JOHN J. KAUFFMAN; supposed to be German, but may be shaming when he speaks with German accent; age, 38 to 40; height 5 feet 6 or 7; weight, about 165; dark complexion; dark eyebrows; dark hair turning gray on sides and rather thin on top; has round face; is stout build; has dark mustache;

FIRST FINGER OF RIGHT HAND OFF AT SECOND JOINT; wore single breasted, square cut coat of dark goods; gingham jumper under coat; black overalls; soft black hat.

*Fresno, Cal.**190*

CARD 21.

FRESNO, CAL., November 6, 1905.

On the night of the 30th, or the morning of the 31st of October, 1905, Mr. and Mrs. W. J. Hayes were brutally murdered about 20 miles west of this city. They had been to a ranch owned by them in the foothills of the Coast Range, and, on their way back to Fresno, had stopped to camp at a cabin owned by a Mexican with whom they were friendly and had frequently stayed over night on their way to and from the foothill ranch. The Mexican was not at home on this occasion, however. Their dead bodies were found by passers-by about 11 o'clock A. M. on Tuesday, October 31, 1905. Every clew or suggestion of the guilty party or parties has been followed by this office to no avail. So far as we know the only circumstances that seem to point to the murder that have not been explained satisfactorily are:

1. The following described gun was found about 60 feet from where the dead bodies lay, and no one has been found who claims to have ever seen the gun:

A Lovell, 12-guage, breech loading, single barrel shot gun; 32-inch twist barrel; No. 2249; pat. July, '87-'90; broken butt stock, wrapped with iron wire around grip; pistol grip; nickle-plated frame; iron butt plate; has been roughly used; quite dirty.

2. Two men on wheels were seen going in the direction of the cabin above mentioned a short time before sundown on Monday, October 30, 1905, and the same two men were seen coming back toward Fresno that night about 9 or 10 o'clock. We have been unable to find out who these men were or where they are since that night. They are described as follows by a gentleman who saw them and talked with them about two miles from the cabin where the murders were committed:

(1) Height, about 5 feet 8 inches; weight, about 135 lbs.; complexion, light; age, about 19; one full gold tooth on right side of upper jaw which showed plainly while he was talking; one tooth with half crown of gold on opposite side of mouth; face slightly freckled; smooth shaven; wore light ribbed shirt, cheap light dotted tie, soft black flat-crowned hat.

(2) Height, about 5 feet 7 inches; weight, about 145 lbs.; dark complexion; smooth shaven; dark hair; about 26 years old; wore black shirt with sleeves torn off between elbows and shoulders, black derby hat.

We should be pleased to have any information that would lead to the ownership of the above described gun.

Officers will please arrest any parties filling the above descriptions who are not able to give satisfactory explanation of their whereabouts at time of murder hereinbefore mentioned; hold and wire me.

J. D. COLLINS, SHERIFF.
 FRESNO, CAL.

\$300 Reward!

\$250 by the Governor of the State of California *for the arrest and conviction*, and **\$50** by the Sheriff of Ventura County *for any information leading to the arrest and conviction* of the party or parties who murdered the two brothers, Homer and Burge Emmert, at Strathearn Station, in this county, on Sunday night, November 19th, 1905.

The murder was undoubtedly committed for the purpose of robbery, as the brothers were known to have some money, and an open faced silver watch, which was taken. The numbers of the watch were:

OR NICKEL WATCH
Works, No. 268,371
Case, No. 5,579,199

and to the watch was attached a russett leather chain, with metal center and a bicycle stamped on the metal.

The following described man was seen at the station with the brothers about dark on the night of the murder:

An American; age about 27 years; height about 5 ft. 7 in.; weight about 175 lbs.; brown hair, a little wavy and puffed out below his hat; smooth shaven; full square face, with prominent cheek bones. Wore soft round black hat; black sack coat; light shirt with tie.

Wire any information at my expense.

STATE OF CALIFORNIA, Executive Department, Sacramento.

WHEREAS, On or about the 19th day of November, 1905, near Strathearne Station, Ventura County, in this State, O. B. Emmert and Homer Emmert were brutally murdered; and

WHEREAS, The said murder was committed by a person unknown, who is still at large, though diligent efforts have been made by the officers of the law to apprehend him;

NOW, THEREFORE, I, George C. Pardee, Governor of the State of California, by virtue of the authority in me vested by the Constitution and laws of this State, do hereby offer a reward of

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of State to be hereunto affixed, this 24th day of November, 1905.

[SEAL.]

GEORGE C. PARDEE,

OSCAR KOHLSDORF, German, or looks like one, speaks brokenly, light complexioned, rather heavy set, height about 5 feet 6 or 7, weight probably 150 lbs., blue eyes, nose rather tilted, turned up at the end, blonde moustache, light brown hair, generally heavy featured, age 39 or 40.

Kohlsdorf sawed out of jail at this place June 2, 1901, with one G. W. Jones who was afterwards located in Salem penitenitary and brought back for trial for horse stealing.

Kohlsdorf was convicted of burglary, and was to have been sentenced on the day following his escape. His wife, who is shown in photo, looks like a German, but her father is an Italian, named Rosanna, and it is supposed that his family is now with him.

Kohlsdorf followed the occupation of junk dealer, and is probably in that business now, he loaded the contents of a house on his wagon while the owner was absent, and was convicted on that account. Is said to have killed two men before he came to this state, is a very mild appearing man, and given to tears when in trouble, his wife visited him and took in the saw he used to get away with.

Jones is now awaiting trill, and we are very anxious to get Kohlsdorf, and will appreciate it if you will kindly keep a lookout for him and telegraph any information you may get at my expense.

From what we have been able to learn from Jones he is probably somewhere in Oregon.
